

Council of Residential Specialists  
**SOUTHERN CALIFORNIA CHAPTER**  
The Proven Path To Success

## **Panel Discussion on Real Estate Technology for REALTORS® hosted by the Southern California CRS Chapter**

**June 19, 2014 from 9:45am to noon**

**San Diego Association of REALTORS®,  
4845 Ronson Court, San Diego, CA 92111**

**Mark your calendars for our exciting Southern California CRS  
networking and learning event in San Diego.**

This event will be a panel discussion on Real Estate field technology for today's market. The panelists are successful CRS agents who live and work in Southern California. These panelists will share the technology tools for success. They will discuss every technique that they know for us to generate more leads, get better referrals and make more money.

**All real estate agents and real estate brokers are invited. However all CRS designee attending will be recognized.**

Lunch will be provided. Although this is a **free** event to agents an RSVP is required since space is limited and we want to have enough food and handout for all attendees. The last day to RSVP is June 17, 2014.

**Space is limited, so reserve early to Alex Shadpour at [Shadpour@gmail.com](mailto:Shadpour@gmail.com)**
