

Gain a Competitive Edge *for your real estate business!*

Take FULL ADVANTAGE of Find – the **FREE** research tool that is already available to you. Each session will show you how to become more efficient and integrate this tool into your everyday business. Having this advantage can place you “head and shoulders” above your competition, increasing your ability to attract clients and close sales.

Each session includes information on the **Find** application - a property-centric national database of over **100 million** property records, available right at your fingertips.

- You will learn how to access property detail information quickly and easily
- Generate effective customer reports
- Research multiple levels of property and ownership data
- Access property valuation information from multiple sources

*Over 100 Million property records
available right at your fingertips!*

Invest time to learn about one of the best FREE tools available right now to you!

Registration is highly recommended since these **FREE** sessions will fill quickly!

The Greater San Diego Association of REALTORS® and REALTOR.com® present power sessions on how to take FULL ADVANTAGE of Find - the **FREE** research tool that is being provided to SDAR members.
