

NOTARY CLASS & EXAM

BECOMING A NOTARY

- A notary public is legally authorized to certify the authenticity or legitimacy of signatures and documents, verifying that the individual did indeed sign the paper of his or her own free will. For this service, the notary receives a fee set by the state.
- Sign up for this One-Day Class and take the State Exam right after, and you're on your way to success. The extensive course covers all new regulations, forms, and new fines and penalties.

STUDY MATERIALS

Once you have registered, you will be directed to a website where you have access to the State Notary Handbook and 138 sample exam questions. The 30-question State Exam is not simple, but with some pre-study and the full-day live "crash course" you have an advantage.

**Register by May 15 deadline
to review the study materials.**
