SDAR Volunteers to Help Homeowners With Repairs and Maintenance on Saturday

SAN DIEGO: Members of the San Diego Association of REALTORS® (SDAR) are gathering at a Santee home on Saturday to help an elderly couple with repairs and maintenance.

“As REALTORS®, we are happy to donate our time to assist this couple to make some much-needed improvements on their home,” said SDAR President Donna Sanfilippo. “SDAR is an organization dedicated to the improvement of our communities.”

The work on Saturday (April 28) ties in with National Rebuilding Day, and the REALTOR® volunteers are hoping to be one of the largest groups participating in National Rebuilding Day.

California Assemblyman Brian Jones and Santee Vice Mayor Rob McNelis, a SDAR Board Member, will be on hand to kick off the work at 8 a.m. The home is located at 10466 Reginas Court, Santee CA 92071.

Volunteers will be painting, cleaning, landscaping and doing other work. Click [here](#) to see a video of the home and what’s planned.

If you are over the age of 16 and would like to volunteer for this project or a similar one, go to www.rebuildingtogether.org to learn more and to sign up.

National Rebuilding Day is sponsored locally by Rebuilding Together San Diego (RTSD). RTSD is a non-profit organization that helps low-income homeowners – particularly the elderly, disabled and veterans – with repairs and beautifying their homes. With seven local sponsorship projects this year, RTSD is helping struggling homeowners to pursue the dream of living in their own homes securely and safely for years to come.

This is the 10th year the San Diego Association of REALTORS® has helped maintain a home for someone in need.

SDAR is dedicated to the preservation of private property rights and to the promotion and protection of the business interests of our REALTOR® members. SDAR's membership stands at more than 12,000, making it the largest realtor’s association in San Diego County and one of the largest in California.
