1:00 pm - 3:00 pm

With approximately 12,000 members, the Greater San Diego Association of REALTORS® is the largest trade association in the county. Our members adhere to a code of ethics and professional standards above and beyond the norm. We help our members sell more homes. We help people realize the dream of homeownership. And we are dedicated to protecting private property rights.

REALTORS® Property Resource is a database of over 147 million property records built from public record assessment information. RPR has no public or consumer access, and does not allow any feeds to third parties. Advanced reporting features allow REALTORS® to create custom reports to provide to clients and customers, keeping the REALTOR® in the center of the transaction, armed with tremendous information and analytics, all in one place.
